

The image shows a square frame with a thin black border. Inside this frame, there is a thick yellow border that is U-shaped, missing the top edge. A thick magenta horizontal bar spans the width of the frame, positioned just below the top edge of the yellow border. In the center of the white space within the frame, the word "FRONT" is written in a bold, black, sans-serif font.

FRONT

KEEP AWAY FROM CHILDREN • GARDER HORS DE PORTEE DES ENFANTS

This child-resistant package is classified in accordance with ASTM D3475 and is lab tested and certified using CPSC standard and protocol to conform to the requirements for a Poison Prevention Package as defined by 16 CFR Part 1700.
