## WHAT WE'RE ABOUT

When a team of cannabis industry veterans were challenged to find the right retail packaging for our products, we were determined to fill the industry void ourselves.

The offering of fast, affordable, and customizable packaging available online only focused on large businesses purchasing in large volumes, and left the rest of us searching to find a provider. Enter Dispensary Supply Canada...

Armed with our cannabis market experience and expertise, our team hit the ground running to source and supply great packaging for businesses of any size, partnered with the ability to offer in-house branding and design services.

Our mission is to be THE solutions provider for all of your retail, and branded cannabis packaging needs – serving Vancouver, Canada, and beyond.
